## PE-DESIGN® 8.0

### PE-Design® 8.0

Inspire your creativity with a whole new world of embroidery! With PE-Design PE-Design® 8 software creating unique embroidery projects is easier than ever. PE-Design® 8 lets you turn just about any image into a stitch file, edit your designs for nearly unlimited flexibility, enhance designs with your own unique fill stitches and create embroidery fonts. Create multimedia art with the new Print and Stitch™ function, a unique embellishment tool that combines embroidery with printed backgrounds. The built-in auto digitizing function converts artwork to embroidery. It also has a comprehensive database cataloging system so you can quickly and effortlessly retrieve designs whenever you need them.
